

コンピュータサイエンス英語プログラム 情報理工学位プログラム (博士前期課程) Computer Science English Program for Master Degree

金森 由博 (Yoshihiro KANAMORI)

情報理工/CS 英語プログラム推進室長

CS English Program Promotion Office

What is the CSE program?

- **Additional program** to Master Degree
 - Exists on top of regular Master Degree Program.
 - On completion, you receive the **CSE certificate** in addition to the Master Degree Diploma.
- Program Requirement
 - **10 or more credits** from **CSE program subjects**
- All students are eligible to enroll
 - CSE program allows to complete Master Degree with all English lectures

Program Requirements

- Requirements for Master Degree
 - 30 or more credits, including mandatory 12 credits and elective 18 credits;
 - Earn sufficient “Competence Achievement” score from subjects;
 - Successful completion of Master defense;
- Requirements for CSE program
 - Prerequisite: Complete the requirements of the Master Degree
 - **10 or more credits** earned from **CSE program subjects**, which include 14 CS courses and 2 Campus-wide courses in English

CS courses: Subjects in Degree Programs in Systems and Information Engineering

Campus-wide courses: Subjects in Graduate School of Science and Technology

CSE Subjects (CS)

Course Name	科目名	Credit
Advanced Course in Computational Algorithms	数理アルゴリズム特論	2
Special Lecture on Numerical Simulation	数値シミュレーション特論	2
Basic Computational Biology	基礎計算生物学	2
Principles of Software Engineering	Principles of Software Engineering	2
Programming Environment	プログラミング環境特論	2
Data Engineering I	データ工学特論 I	2
Advanced Course in High Performance Computing	高性能コンピューティング特論	2
Adaptive Media Processing	適応的メディア処理	1
Experiment Design in Computer Sciences	Experiment Design in Computer Sciences	2
Frontier Informatics A/B	フロンティアインフォマティクス特論 A/B	1 / 1
Human-centered AI A/B	ヒューマンセンタード AI 特論 A/B	1 / 1
Topics in Computational Science I	コンピュータサイエンス英語講義 I	1

CSE Subjects (Campus-wide)

Course Name	科目名	Credit
Computational Science Literacy	計算科学リテラシー	1
High Performance Parallel Computing Technology for Computational Sciences	計算科学のための高性能並列計算技術	1

How to Enroll: 2 Steps

Step 1: Register yourself via an online registration form (login required):

<https://forms.office.com/r/pr8SMdy0mE>

*** **Registration deadline: May 13th, 2022** ***

Step 2: Enroll the classes in the subject lists through TWINS

- In case you cannot earn 10 or more credits from CSE program, **there is no penalty for the regular master degree.**
 - Only the CSE certificate will not be issued.

Summary

- Computer Science English program
 - You can complete Master Degree with all English lectures
