

2020 Spring Semester Course Registration Method (Department of Computer Science, Master's Program)

Explanation of purpose

- Most of the classes in the 2020 spring semester 2020 will be held online.
- The contents of online classes will be posted on the learning management system "manaba".
- **To view the manaba course of each subject, you must register for the course by the day before the first lecture.**

(1) Choose candidate courses to take

Please select the candidate for the course you want to take by referring to the following URL

List of courses for current students: <https://www.cs.tsukuba.ac.jp/curriculum/master/>

List of courses for new students: <https://www.cs.tsukuba.ac.jp/cs-p-curriculum/master/>

※Especially for new students, please select the courses carefully so that you can meet the requirements and achievements.

Course registration deadline is May 13

Before the first day of the lecture

CS Web

(1) Choose candidate courses to take

(2) Provisional registration by the day before the first lecture

If you decide to not take some courses, cancel their registration

(3) Watch the first lectures online

After May 14

(4) Registered courses are confirmed. Watch the online lectures.

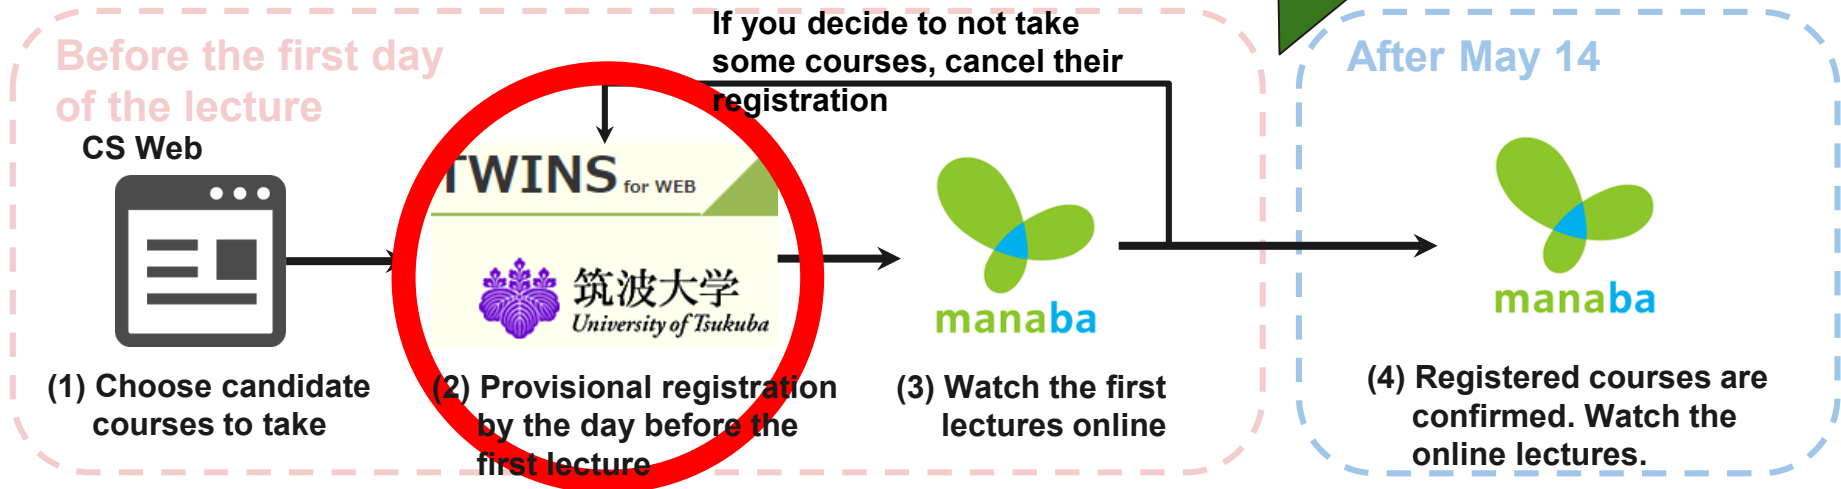

(2) Provisional registration by the day before the first lecture

The course registration system (TWINS) and the learning management system (manaba), where online lectures are held are linked one day later. Therefore, please make provisional registrations of the classes you want to take by the day before the first lecture.

How to register for courses at TWINS:

http://www.tsukuba.ac.jp/students/pdf/twins_manual.pdf

Course registration
deadline is May 13

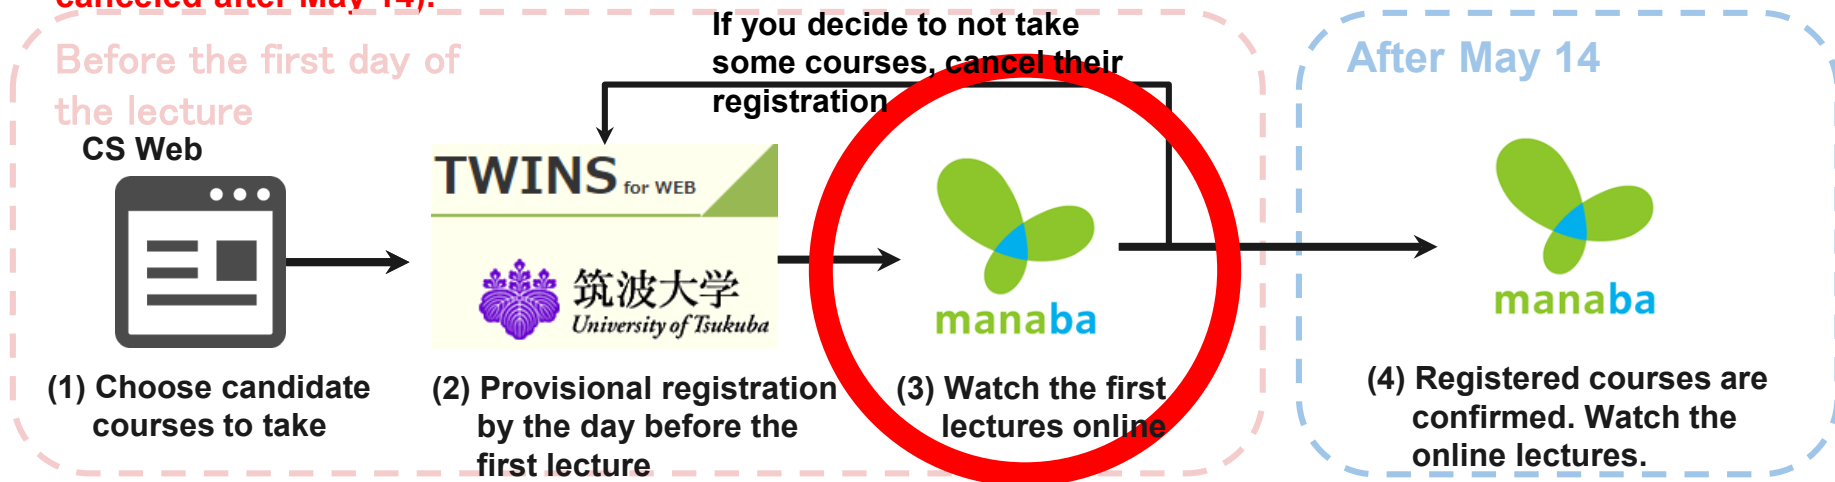

(3) Watch the first lectures online

If you access [manaba](#) the day after the provisional registration, the class you registered will be displayed in "Course". After that, access the course of each subject and check the first online lectures.

manaba user's manual: https://manaba.tsukuba.ac.jp/ct/static_manual-2018-04-16b-students-ja.pdf

If you decide to not take a course, return to (2) cancel the course registration. **(Registration cannot be canceled after May 14).**

(4) Registered courses are confirmed. Watch the online lectures.

Classes registered for TWINS will be confirmed on May 14. After that, please access the course of each subject and watch the online lecture.
